HOW TO USE HERSHE

HERSHE provides exclusive and personalized service for your best comfort.

1. ONLINE CONSULTATION

Online consultation will give overall and general information about the inquiry. Online consultation can be done through Email, Homepage, and telephone.

2. MAKING RESERVATION

If you decided to visit HERSHE, you can make face to face consultation appointment via whichever contact methods you prefer, then Confirmation letter for consultation will be sent. Once your reservation is confirmed, airport pick-up and accommodation reservation service will be provided according to your schedule after deposit is sent. Inform us your contact, chosen accommodation, and flight details.

3. ARRIVING KOREA (AIRPORT PICK-UP)

Our friendly staff will waiting for you at your arriving gate and we will take you to the HERSHE.

4. VISITING HERSHE

You will be meeting with your personal coordinator/Interpreter who would be assigned for you to guide the whole procedure from the beginning to end. You will fill the form in regards to your health conditions and have consultation with the professional consultant and the appointed surgeon. Medical examination such as X-ray, CT scan will be held for certain operations. After consultation, operation date will be fixed and payment will be made.

5. OPERATION DAY

You will have a final consultation with the surgeon on the operation day. We will cleanse the areas for your safety. You do not need to worry about the make-up. After designing, operation will be progressed.

6. POST OPERATION CARE

We will provide post operation care which will help to minimize bruise and swelling quickly for the fastest recovery with the laser treatment. Responsible (assigned) coordinator will check the condition and disinfect the wound area every time you visit the clinic. Stiches will be removed after the final consultation with the surgeon.

7. DEPARTING KOREA

Pick-up car will arrive at your hotel at the scheduled time. We will take you to the Incheon International Airport 3hours prior to the flight time. This would be the last step.

HERSHE provides accommodation reservation services at preferred rate with nearby hotels & residences. Pick-up service from the accommodation will be provided for foreign patients.
